

Independent Clinical Supervisor

The Board requires the following information from all applicants submitting clinical supervision provided by a clinical supervisor who was not employed by the same agency where the applicant acquired his/her supervised work experience:

1. A copy of any written agreements between the supervisee and the clinical supervisor.
2. A copy of any written agreements between the clinical supervisor and the agency where the applicant acquired his/her supervised work experience.
3. A copy of any written notice provided to clients regarding the applicant's relationship with an independent clinical supervisor.
4. A copy of any written release of information authorization used to advise clients that the clinical supervisor will have access to a client's confidential information and records.
5. A copy of all documentation maintained by the clinical supervisor regarding clinical supervision sessions with an applicant.
6. A copy of certificates of completion for all continuing education regarding the duties and responsibilities of a clinical supervisor completed after 07/01/06 or evidence that a clinical supervisor has a current certification or designation as one of the following:
 - a. National Board for Certified Counselors/Center for Credentialing and Education Approved Clinical Supervisor certification
 - b. International Certification and Reciprocity Consortium Clinical Supervisor certification.
 - c. American Association of Marriage and Family Therapists Clinical Member with Approved Supervisor designation.
