## OUT OF STATE APPLICANTS

### **LICENSE BY ENDORSEMENT**

Arizona offers licenses by endorsement for applicants who hold a current license or certification in another jurisdiction. The statutes and rules governing the requirements can be found in A.R.S. § 32-3274 and A.A.C. R4-6-304.

To qualify for licensure by endorsement, an applicant must have an active license in another jurisdiction, and have had that license at the same practice level for a MINIMUM of three years. If an applicant is applying for an independent level license (LPC, LCSW, LMFT or LISAC), a masters degree in the applicable field of practice is required.
