

1 progress notes, not Son's entire clinical record.

2 17. On 05/10/16, Respondent provided additional information contained in Son's  
3 clinical record and again included a signed affidavit swearing that she provided all documents  
4 pertaining to Son's treatment.

5 18. Respondent failed to provide any billing information for Son's treatment or Son's

**BEFORE THE ARIZONA BOARD  
OF BEHAVIORAL HEALTH EXAMINERS**

**In the Matter of:**

**Johanna G. Burton-Fuller, LPC-0410,  
Licensed Professional Counselor,  
In the State of Arizona.**

**RESPONDENT**

**CASE NO. 2017-0079**

**CONSENT AGREEMENT**

In the interest of a prompt and speedy settlement of the above captioned matter, consistent with the public interest, statutory requirements and responsibilities of the Arizona State Board of Behavioral Health Examiners ("Board"), and pursuant to A.R.S. §§ 32-3281(F) and 41-1092.07(F)(5), Johanna G. Burton-Fuller ("Respondent") and the Board enter into this Consent Agreement, Findings of Fact, Conclusions of Law and Order ("Consent Agreement") as a final disposition of this matter.

**RECITALS**

Respondent understands and agrees that:

1. Any record prepared in this matter, all investigative materials prepared or received by the Board concerning the allegations, and all related materials and exhibits may be retained in the Board's file pertaining to this matter.
2. Respondent has the right to a formal administrative hearing at which Respondent can present evidence and cross examine the State's witnesses. Respondent hereby irrevocably waives their right to such formal hearing concerning these allegations and irrevocably waives their right to any rehearing or judicial review relating to the allegations contained in this Consent Agreement.
3. Respondent has the right to consult with an attorney prior to entering into this Consent Agreement.

1           4.     Respondent acknowledges and agrees that upon signing this Consent  
2 Agreement and returning it to the Board's Executive Director, Respondent may not revoke their  
3 acceptance of this Consent Agreement or make any modifications to it. Any modification of this  
4 original document is ineffective and void unless mutually approved by the parties in writing.

5           5.     The findings contained in the Findings of Fact portion of this Consent Agreement  
6 are conclusive evidence of the facts stated herein and may be used for purposes of determining  
7 sanctions in any future disciplinary matter.

8           6.     This Consent Agreement is subject to the Board's approval, and will be effective  
9 only when the Board accepts it. In the event the Board in its discretion does not approve this  
10 Consent Agreement, this Consent Agreement is withdrawn and shall be of no evidentiary value,  
11 nor shall it be relied upon or introduced in any disciplinary action by any party hereto, except  
12 that Respondent agrees that should the Board reject this Consent Agreement and this case  
13 proceeds to hearing, Respondent shall assert no claim that the Board was prejudiced by its  
14 review and discussion of this document or of any records relating thereto.

15           7.     Respondent understands that once the Board approves and signs this Consent  
16 Agreement, it is a public record that may be publicly disseminated as a formal action of the  
17 Board, and that it shall be reported as required by law to the National Practitioner Data Bank.

18           8.     Respondent further understands that any violation of this Consent Agreement  
19 constitutes unprofessional conduct pursuant to A.R.S. § 32-3251(16)(n) and may result in  
20 disciplinary action pursuant to A.R.S. § 32-3281.

21           9.     The Board therefore retains jurisdiction over Respondent and may initiate  
22 disciplinary action against Respondent if it determines that they have failed to comply with the  
23 terms of this Consent Agreement or of the practice act.

24           The Board issues the following Findings of Fact, Conclusions of Law and Order:

25     ...

1 FINDINGS OF FACT

2 1. Respondent is the holder of License No. LPC-0410 for the practice of counseling  
3 in Arizona.

4 2. From 01/16 - 04/16, Respondent provided three counseling sessions with a  
5 minor client ("Son").

6 3. Son's parents ("Mother" and "Father") were divorced and had joint legal decision  
7 making authority for Son.

8 4. During the three months Respondent treated Son, she authored two letters to the  
9 court on Father's behalf.

10 5. Respondent's letters to the court appear highly inappropriate based on the  
11 following:

- 12 a. They were written in support of, and at the request of Father.
- 13 b. There was no documentation in the clinical record indicating that the court  
14 requested information from Respondent.
- 15 c. Respondent provided recommendations for Son's visitation without  
16 meeting Mother and while having extremely limited interaction with Son.
- 17 d. Without ever meeting Father's girlfriend, Respondent recommended that  
18 Son could benefit from time with her while Father was away.

19 6. Respondent acknowledges having very little experience in high conflict family  
20 court issues.

21 7. At the onset of treatment, Respondent failed to request documentation regarding  
22 the family's court case even though she was aware that Mother and Father were divorced.

23 8. Respondent was unaware that Mother and Father had joint legal decision making  
24 authority, and she did not request or receive consent from Mother to treat Son, nor was Mother  
25 notified that Son was being treated by Respondent.

1           9.     When Mother became aware that Son was receiving services from Respondent,  
2 she sent Respondent a letter dated 03/07/16 indicating:

- 3           a.     Mother has joint legal decision making authority for Son.
- 4           b.     She is revoking Respondent's authorization to treat Son.
- 5           c.     On 03/04/16, when Mother attempted to speak to Respondent, she was  
6                 rude and hostile.
- 7           d.     Respondent is reluctant to provide Son's medical records to Mother.

8           10.    Despite Mother's letter, Respondent held another counseling session with Son  
9 on 04/18/16.

10          11.    Respondent indicated she wanted to have closure with Son when asked by  
11 Board staff why she continued to see Son after Mother revoked her authorization for treatment.

12          12.    Respondent's response is difficult to reconcile where:

- 13          a.     There is no information in the 04/18/16 progress note suggesting it was a  
14                 closure session.
- 15          b.     Respondent did not provide any treatment referrals for Son.

16          13.    As early as 03/08/16, Mother submitted a written request for Son's clinical  
17 records, and included a copy of a 05/13 court order indicating that Mother had joint legal  
18 decision making authority for Son.

19          14.    On 04/25/16, the court ordered that Respondent release Son's records to  
20 Mother.

21          15.    On 05/07/16, approximately two months after Mother's initial request for Son's  
22 records, Respondent provided Mother's attorney ("Attorney") clinical documentation for Son's  
23 treatment including a signed affidavit swearing that she had enclosed all documents pertaining  
24 to Son's clinical record.

25    ...

1 16. In response, Attorney informed Respondent that she only provided three  
2 progress notes, not Son's entire clinical record.

3 17. On 05/10/16, Respondent provided additional information contained in Son's  
4 clinical record and again included a signed affidavit swearing that she provided all documents  
5 pertaining to Son's treatment.

6 18. Respondent failed to provide any billing information for Son's treatment or Son's  
7 initial intake assessment to Attorney.

8 19. Respondent's clinical documentation for Son's treatment was deficient as follows:

- 9 a. Respondent did not obtain a valid signed consent for treatment.  
10 b. Respondent failed to generate a treatment plan.  
11 c. Respondent's progress notes were missing various required elements.

12 20. In support of her complaint defense, Respondent acknowledges soliciting Father  
13 to write a letter on her behalf, which he did.

14 21. Respondent should recognize that the professional/client relationship should be  
15 entirely therapeutic in nature, and never exploited for the benefit of the professional.

16 **CONCLUSIONS OF LAW**

17 1. The Board has jurisdiction over Respondent pursuant to A.R.S. § 32-3251 *et seq.*  
18 and the rules promulgated by the Board relating to Respondent's professional practice as a  
19 licensed behavioral health professional.

20 2. The conduct and circumstances described in the Findings of Fact constitute a  
21 violation of A.R.S. § 32-3251(16)(l), any conduct, practice or condition that impairs the ability of  
22 the licensee to safely and competently practice the licensee's profession.

23 3. The conduct and circumstances described in the Findings of Fact constitute a  
24 violation of A.R.S. § 32-3251(16)(kk), failing to make client records in the licensee's possession  
25 promptly available to the client, a minor client's parent, the client's legal guardian or the client's

1 authorized representative on receipt of proper authorization to do so from the client, a minor  
2 client's parent, the client's legal guardian or the client's authorized representative.

3 4. The conduct and circumstances described in the Findings of Fact constitute a  
4 violation of A.R.S. § 32-3251(16)(p), failing to conform to minimum practice standards as  
5 developed by the Board as it relates to:

6 a. A.A.C. R4-6-1101, Consent for Treatment

7 b. A.A.C. R4-6-1102, Treatment Plan

8 5. The conduct and circumstances described in the Findings of Fact constitute a  
9 violation of A.R.S. § 32-3251(16)(x), exploiting a client, former client or supervisee.

10 6. The conduct and circumstances described in the Findings of Fact constitute a  
11 violation of A.R.S. § 32-3251(16)(s), terminating behavioral health services to a client without  
12 making an appropriate referral for continuation of care for the client if continuing behavioral  
13 health services are indicated.

14 7. The conduct and circumstances described in the Findings of Fact constitute a  
15 violation of A.R.S. § 32-3251(16)(q), failing or refusing to maintain adequate records of  
16 behavioral health services provided to a client.

17 8. The conduct and circumstances described in the Findings of Fact constitute a  
18 violation of A.R.S. § 32-3251(16)(m), engaging or offering to engage as a licensee in activities  
19 that are not congruent with the licensee's professional education, training or experience.

20 **ORDER**

21 Based upon the foregoing Findings of Fact and Conclusions of Law, the parties agree to  
22 the provisions and penalties imposed as follows:

13 Respondent. The letter from the supervisor shall be submitted to the Board.

14 **Focus and Frequency of Clinical Supervision**

18 **Reports**

19 9. Once approved, the supervisor shall submit quarterly reports for review and

24 b. A comprehensive description of issues discussed during supervision  
25 sessions.

1 10. All quarterly supervision reports shall include a copy of clinical supervision

6 also contain a recommendation as to whether the Respondent should be released from this  
7 Consent Agreement.

8 **Change of Clinical Supervisor During Probation**

9 12. If, during the period of Respondent's probation, the clinical supervisor determines  
10 that they cannot continue as the clinical supervisor, they shall notify the Board within 10 days of  
11 the end of supervision and provide the Board with an interim final report. Respondent shall  
12 advise the Board Chair or designee within 30 days of cessation of clinical supervision by the  
13 approved clinical supervisor and provide the name of a new proposed clinical supervisor. The  
14 proposed clinical supervisor shall provide the same documentation to the Board as was required  
15 of the initial clinical supervisor.

16 **Audit**

17 13. While on probation, Respondent shall submit to an audit of all of their private  
18 practice records by a pre-approved auditor. Within 60 days of this Consent Agreement,  
19 Respondent shall submit the name of an auditor and a plan for conducting the audit for pre-  
20 approval by the Board Chair or designee. The audit shall be completed within 60 days of the  
21 effective date of this consent agreement. Also within 60 days of the effective date of this  
22 Consent Agreement, the auditor shall provide an audit report and a proposed audit plan  
23 addressing any deficiencies found during the audit to the Board Chair or designee for review

25 ...

1 **Practice Monitor**

2 14. While on probation, Respondent shall establish and maintain a relationship with a  
3 practice monitor who is a masters or higher level behavioral health professional licensed at the

5 regarding setting up appropriate forms and formats for Respondent's clinical records,  
6 implementing current behavioral health standards of practice related to behavioral health  
7 assessment and treatment planning, providing treatment consistent with the documented  
8 treatment plan, and documenting the treatment provided in accordance with current behavioral  
9 health standards. Respondent and the practice monitor shall review the clinical documentation  
10 produced for each and every active client Respondent sees at least once per month. The  
11 practice monitor shall ensure that Respondent complies with the audit plan approved by the  
12 Board Chair or designee. Respondent shall meet with the practice monitor a minimum of twice a  
13 month for the first 12 months of probation and at the recommendation of the practice monitor

20 Consent Agreement and include the results of an initial assessment and a monitoring plan  
21 regarding the proposed practice monitoring of Respondent. The letter from the proposed  
22 Practice Monitor shall be submitted to the Board.

23 **Monitoring Quarterly Reports**

24 16. Once approved, the practice monitor shall submit quarterly reports for review and

9 the end of monitoring and provide the Board with an interim final report. Respondent shall  
10 advise the Board Chair or designee within 30 days of cessation of monitoring by the approved  
11 practice monitor of the name of a new proposed practice monitor. The proposed practice  
12 monitor shall provide the same documentation to the Board as was required of the initial  
13 practice monitor.

#### 14 GENERAL PROVISIONS

##### 15 Provision of Clinical Supervision

16 18. Respondent shall not provide clinical supervision while subject to this Consent  
17 Agreement.

##### 18 Civil Penalty

19 19. Subject to the provisions set forth in paragraph 20, the Board imposes a civil  
20 penalty against the Respondent in the amount of \$1,000.00.

21 20. Respondent's payment of the civil penalty shall be stayed so long as Respondent  
22 remains compliant with the terms of this Consent Agreement. If Board staff determines that  
23 Respondent is noncompliant with the terms of this Consent Agreement in any respect, with the  
24 exception of the tolling provision under paragraph 3, the stay of the civil penalty payment shall  
25 be automatically lifted and payment of the civil penalty shall be made by certified check or

1 money order payable to the Board within 30 days after being notified in writing of the lifting of  
2 the stay.

3 21. Within 10 days of being notified of the lifting of the stay, Respondent may request  
4 that the matter be reviewed by the Board for the limited purpose of determining whether the  
5 automatic lifting of the stay was supported by clear and convincing evidence. If the Board  
6 receives the written request within 10 days or less of the next regularly scheduled Board  
7 meeting, the request will not be heard at that meeting, but will be heard at the next regularly  
8 scheduled Board meeting. The Board's decision on this matter shall not be subject to further  
9 review.

10 22. The Board reserves the right to take further disciplinary action against  
11 Respondent for noncompliance with this Consent Agreement after affording Respondent notice  
12 and an opportunity to be heard. If a complaint is filed against Respondent for failure to comply  
13 with this Consent Agreement, the Board shall have continuing jurisdiction until the matter is final  
14 and the period of probation shall be extended until the matter is final.

15 23. If Respondent currently sees clients in their own private practice, and obtains any  
16 other type of behavioral health position, either as an employee or independent contractor, where  
17 they provide behavioral health services to clients of another individual or agency, they shall  
18 comply with requirements set forth in paragraphs 24 through 26 below.

19 24. Within 10 days of the effective date of this Order, if Respondent is working in a  
20 position where Respondent provides any type of behavioral health related services or works in a  
21 setting where any type of behavioral health, health care, or social services are provided,  
22 Respondent shall provide the Board Chair or designee with a signed statement from  
23 Respondent's employer(s) confirming Respondent provided the employer(s) with a copy of this  
24 Consent Agreement. If Respondent does not provide the employer's statement to the Board  
25

1 within 10 days of the effective date, the Board will provide Respondent's employer(s) with a  
2 copy of the Consent Agreement.

3 25. If Respondent is not employed as of the effective date of this Order, within 10  
4 days of accepting employment in a position where Respondent provides any type of behavioral  
5 health related services or in a setting where any type of behavioral health, health care, or social  
6 services are provided, Respondent shall provide the Board Chair or designee with a written  
7 statement providing the contact information of their new employer and a signed statement from  
8 Respondent's new employer confirming Respondent provided the employer with a copy of this  
9 Consent Agreement. If Respondent does not provide the employer's statement to the Board  
10 within 10 days, as required, Respondent's failure to provide the required statement to the Board  
11 shall be deemed a violation of A.R.S. § 32-3251(16)(n) and the Board will provide Respondent's  
12 employer(s) with a copy of the Consent Agreement.

13 26. If, during the period of Respondent's probation, Respondent changes  
14 employment, resigns, is involuntarily terminated, resigns in lieu of termination, or goes on  
15 extended leave of absence for whatever reason that may impact their ability to timely comply  
16 with the terms of probation, Respondent shall, within 10 days of the aforementioned acts, inform  
17 the Board of their change of employment status. After the change and within 10 days of  
18 accepting employment in a position where Respondent provides any type of behavioral health  
19 related services or in a setting where any type of behavioral health, health care, or social  
20 services are provided, Respondent shall provide the Board Chair or designee a written  
21 statement providing the contact information of their new employer(s) and a signed statement  
22 from Respondent's new employer(s) confirming Respondent provided the employer(s) with a  
23 copy of this Consent Agreement. If Respondent does not provide the employer's statement to  
24 the Board within 10 days, as required, Respondent's failure to provide the required statement to

1 the Board shall be deemed a violation of A.R.S. § 32-3251(16)(n) and the Board will provide  
2 Respondent's employer(s) with a copy of the Consent Agreement.

3 27. Respondent shall practice behavioral health using the name under which they  
4 are licensed. If Respondent changes their name, they shall advise the Board of the name  
5 change as prescribed under the Board's regulations and rules.

6 28. Prior to the release of Respondent from probation, Respondent must submit a  
7 written request to the Board for release from the terms of this Consent Agreement at least 30  
8 days prior to the date they would like to have this matter appear before the Board. Respondent  
9 may appear before the Board, either in person or telephonically. Respondent must provide  
10 evidence that they have successfully satisfied all terms and conditions in this Consent
